CAN GERBERA

SANTA EULALIA, IBIZA

Can Gerbera is a luxurious south-facing estate with beautiful century-old dry-stone walls set within an idyllic pastoral setting. The villa is prestigiously perched in Santa Eulalia, curating an exceptional bucolic atmosphere unlike any other on the island of Ibiza.

The gorgeous ultra-chic kitchen is the beating heart of this glamorous estate. Ideal for entertaining and catering for large groups or families, the kitchen and dining area are a masterwork of tropical exoticism island and sleek contemporary refinement. Incredibly textured dark stone countertops, meld with Southeast Asian-styled antique prestressed drawers and a stunning natural edge dining table. A delectable dynamism of texture and color is only furthered by retractable sliding glass doors that reveal a dining deck under a lovely straw-matted pergola, creating an insatiable indoor-outdoor flow and exotic ambiance. A historic stone tower is integrated into the building as a home theatre and living room. Moving away from the kitchen, in the center of the house is the large covered summer lounge with a giant U-shaped sofa facing extraordinary views. Automated to the highest standards with Loxone Domotic system controls, Can Gerbera offers an utterly customizable stay. Music, climate air conditioning, underfloor heating, lighting, a centralized alarm, and front gate access are adjustable with the click of a button.

The serene, rural setting incorporates an outdoor kitchen, beautifully maintained gardens and lawn, pool, tennis court, and pavilion. Can Gerbera combines rustic-chic charm with indulgent comfort for an Ibiza getaway unlike any other.

IBIZA

SANTA EULALIA

Ibiza is one of the Balearic Islands, a Spanish archipelago in the Mediterranean Sea; it has been touted as the world's utopia and will take anyone's breath away. The island is full of surprises and contrasts, from the Platja d'en Bossa lined with hotels, bars, and shops to the sandy coves nestled behind pine-clad coastal hills. Internationally renowned for the legendary nightlife of Ibiza Town and Sant Antoni, major European clubs have their summer outposts here. Not to be overshadowed by its boisterous nightlife, Ibiza is also home to quaint windswept villages, yoga retreats, and pristine beaches. Ibiza has some of the most jaw-dropping beaches in the world, its own salt flats, and is home to Es Vedra, the third most magnetic spot on earth. Everyone should visit this little gem at least once.
