## VILLA ROCA

SAN JOSEPH / SAN JORGE, IBIZA

Villa Roca is a stunning property flaunting five-star amenities and the utmost seclusion. This ultra-modern mansion is embedded into a dramatic cliffside, embraced by nearly 30 acres of mature pine forest. From its authoritative vantage point, the residence commands views of Ibiza's old town, the beaches of Salinas, Es Colodar, with the distant silhouette of Formentera hovering on the sea horizon. Vaunted for its coveted mountainside positioning, the estate is three miles to Ibiza town, in the proximity of the most reputed beaches and fine dining establishments.

A masterwork of contemporary elegance, this Ibizan Villa flaunts pure whitewashed interiors and an exceptionally dynamic floorplan defined by shimmering glass surfaces, soaring columns, and floating staircases. The estate's multi-levels maximize immersion into the natural surroundings, with oversized windows and sliding glass doors flooding every inch of the estate in abundant light. With sparse but poignant decor, the grand dimensions of the space feel even more prominent. An indelible sense of permeability runs through the home's vast common areas, challenging the distinction between indoor and outdoor space. Echelons of glass and double-height ceilings match the stature of the estate's vertiginous views, offering the quintessence of cloud nine luxury living. A fully equipped chef's kitchen overlooks one of the many terraces, comprising a delightful workspace for the culinary professional. Unmatched wellness facilities include a gym and infrared detox sauna with a full selection of spa treatments.

The rooftop hot tub for twelve presents the pinnacle in lavish entertainment potential. The outdoor area provides a large swimming pool with waterfall features, including a refreshing grotto, floating cabana, and sub-aquatic windows. A further rooftop dining area with barbeque is linked by a service lift to the kitchen and wine cooler, establishing one of the most coveted spots of this Ibiza vacation rental.

## IBIZA

SAN JOSEPH / SAN JORGE

Ibiza is one of the Balearic Islands, a Spanish archipelago in the Mediterranean Sea; it has been touted as the world's utopia and will take anyone's breath away. The island is full of surprises and contrasts, from the Platja d'en Bossa lined with hotels, bars, and shops to the sandy coves nestled behind pine-clad coastal hills. Internationally renowned for the legendary nightlife of Ibiza Town and Sant Antoni, major European clubs have their summer outposts here. Not to be overshadowed by its boisterous nightlife, Ibiza is also home to quaint windswept villages, yoga retreats, and pristine beaches. Ibiza has some of the most jaw-dropping beaches in the world, its own salt flats, and is home to Es Vedra, the third most magnetic spot on earth. Everyone should visit this little gem at least once.
