VILLA SILVANA

SAN RAFAEL, IBIZA

Villa Silvana is a glorious estate flaunting picture-perfect lawns, romantic masonry, and lush flora sprawling across nine hectares of terrain. Poised at nearly 500 ft elevation above sea level, this residence commands stunning sea views stretching to the Island of Formentera and the historic town of Dalt Vila. Serene and secluded, Silvana's enchanting pastoral setting is less than a ten-minute drive from the bustle and excitement of Ibiza town and Marina Botafoch.

Gorgeous interiors fuse old-world aristocratic flair with a delectable breezy bohemian panache. Arched doorways, exposed beam terracotta ceilings, and lovingly refurbished period pieces curate an insatiably airy and elegant environment. Brocade chairs dazzling with an antique patina and neoclassical accents pepper the free-flowing common spaces. Villa Silvana offers two residences and a guest house, providing ample lodging versatility, space, and discretion for each guest. The interior of each home is beautifully decorated with a very comfortable atmosphere, perfect for casual downtime or intimate entertaining. All nine bedrooms are generous, with large windows that keep the entire living space radiant all day. Romantic Provencal style furnishing combines high-tech considerations from Wi-Fi, SAT-TV, Sonos Hi-Fi, underfloor heating, and air conditioning.

Fantastical exteriors appear plucked out of a fairy tale, with aromatic flora and vines embracing the pergolas and outdoor areas. With a serene private park at guests' disposal, this is the ultimate residence to rejuvenate and reconnect with the elements, with ample alfresco spaces beckoning all-day recreation under the Ibizan sun. Two heated pools offer respite from the afternoon heat and promise exceptional entertaining potential.

IBIZA

SAN RAFAEL

Ibiza is one of the Balearic Islands, a Spanish archipelago in the Mediterranean Sea; it has been touted as the world's utopia and will take anyone's breath away. The island is full of surprises and contrasts, from the Platja d'en Bossa lined with hotels, bars, and shops to the sandy coves nestled behind pine-clad coastal hills. Internationally renowned for the legendary nightlife of Ibiza Town and Sant Antoni, major European clubs have their summer outposts here. Not to be overshadowed by its boisterous nightlife, Ibiza is also home to quaint windswept villages, yoga retreats, and pristine beaches. Ibiza has some of the most jaw-dropping beaches in the world, its own salt flats, and is home to Es Vedra, the third most magnetic spot on earth. Everyone should visit this little gem at least once.
