## YASAWA ISLAND RESORT & SPA

YASAWA ISLAND, PACIFIC OCEAN ISLANDS

Yasawa Island Resort & Spa makes up an enchanting tropical getaway immersed in the natural glory of the South Pacific. Embark on a journey to the crystalline waters of Fiji, offering a private world of ethereal white sand beaches, secluded sandbanks, dramatic cliffsides, and lush tropical foliage. Offering the purest distillation of the Yasawa archipelago's supernatural beauty, this retreat delivers otherworldly tranquility and total rejuvenation of the mind, body, and soul.

Epitomizing exclusivity, Yasawa Island offers a minimal seventeen beachfront bures. Serene and secluded transient beach footprints are the only evidence of civilization within this pristine ecosystem. Palapa thatched rooftops straddle dense tropical jungle and pristine white sands. Perfected in the art of barefoot luxury, each residence exhibits exquisite interiors offering a lovely collision of exotic island architecture and modern considerations. Vaulted bound-beam scaffolding displaying traditional carvings imbue intimate living quarters with authenticity and a unique sense of vertical space. Enclosed by French doors and louvered accents, these private pavilions interact with the technicolor interiors maximally. Exotic woods and bamboo accents enclose dreamy living spaces perpetually wafted by the refreshing sea breeze and sweet tropical fragrance. State of the art airconditioning, lush garden environs, and indoor-outdoor showers instill a romantic ambiance.

Yasawa Island provides extensive health and wellness facilities, gastronomic experiences, recreation facilities, and water toys beckoning nautical fun. Swim in crystal clear waters, explore the Island's ten private beaches and dive on vividly colored corals. Connect with an ancient culture or indulge in Fiji's first beachfront spa. Whatever you choose to do at Yasawa, you'll do it in complete seclusion.
