## BOMBARDIER CHALLENGER 605

SUPER MIDSIZE, PRIVATE JETS

Bombardier Challenger 605 is a luxury jet that boasts a max range of 4,000 nm, max speed of 0.82 Mach and accommodating 12 passengers or 5 sleeping. The spacious cabin of the business jet is the widest in the super-midsize category, combining enhanced personal productivity with outstanding flexibility. Larger and higher-positioned windows make for ideal viewing pleasure. It has an improved Ethernet-based management system as well as larger video monitors, an upgraded galley area, and worktables that are sturdier.

A black and white photograph of a Bombardier Challenger 605 private jet in flight. The aircraft is white with a thin red stripe along the fuselage and is shown from a side-on perspective, flying towards the right. Below the plane, a dense layer of white clouds covers the valley. In the background, a range of rugged mountains with snow-capped peaks is visible under a clear sky. The foreground shows a dark, forested landscape with a winding river or lake.
